ANTHEM TO GARTH MANTON

(sung to the tune of "Jerusalem")

And did those feet in seasons past,
Walk upon Como's hallowed ground?
And did that voice uplift our hearts,
And echo mightily around?
And did those words inspire great deeds,
Like when we "got 'em in a fix"
And was Garth Manton standing there,
A bee's dick short of six foot six.

"Bring me my boys in blue and white;
Bring me a foaming can of beer;
Bring me a flag, which to unfurl;
And bring me a mighty "Cheer Boys Cheer"!
He was a peerless orator,
And known to hurl the odd good sledge,
So we salute Garth Manton,
OGS President and living "ledge".
